

Kenton Newsletter
October 2017

From The Director:

Welcome October! This month we are so excited to see all the leaves changing, weather changing, and all the fun fall activities that we will be doing at Care-A-Lot!

With the upcoming changes in weather, please remember to send your child in weather appropriate clothing and a jacket so that we can have fun in the leaves outside! It is also a good time to change out the spare clothes in your child’s cubby so they will be weather appropriate!

We will be having a Harvest Pajama Party at the end of the month! Keep an eye out for the details on that!

Thank you for choosing Care-A-Lot to take part in the growth and development of your little one. As we endeavor to make our program the best it can be, please know how much we value your input and appreciate the trust you place in us each and every day. As always, please contact me with any concerns in person, by phone (874-7743), or at our email kenton.carealot.1885@gmail.com.

Miss Johanna

Happy Birthday, this month, to:

Miss Jamie
Jeffrey E.
Gianna N.
Zoe H.

Nursery 1-Gentle Heart Lambs

Hello Nursery Friends!

Where did September go? Now we sneak into a Peek*A*Boo October.

But don't be scared! It will be fun to celebrate this month a whole different way with our friends! There will be a lot of seasonal activities & art projects to keep an eye out for. Our spooky songs are "Five Little Pumpkins" & "Itsy Bitsy Spider". We will continue to practice tummy time and standing. We will also be having a "Pajama Party" at the end of the month! You are welcome to come in your pajamas on Tuesday, October 31st!

Happy Harvest Everyone!

Miss Brenda

Waddler-Lotsa Heart Elephants

What a great September! We had so much fun learning all of our body parts and will continue to try and master them!

For the month of October we will be focusing on animal sounds. We are going to have such a great time learning about how cows “moo”, horses “neigh”, kittens “meow”, lions “roar”, and so many more sounds made by our animal friends!

We will be working on our fine motor skills a ton as we paint sheep, glue feathers, dab giraffes and color so many different animals.

For October, the color of the month is yellow. Be on the lookout for yellow everywhere!

Kenton Newsletter
October 2017

October is a special month with a very fun holiday. We will be celebrating October a few different ways! We are going to be making some spooky pictures, carving a pumpkin, and going on a monster hunt! We will also be having a Harvest Pajama Party on October 31st. Wear your most comfortable PJ's and get ready to party! Parents may bring in a healthy snack to share with the class if you would like. If you have any questions please feel free to ask Mrs. Colleen or Mrs. Johanna! Get ready for growling and oinking Waddlers! October is going to be a blast!

Miss Colleen

Toddler 1- Loyal Heart Dogs

September was a great month! We enjoyed learning about different baby animals that are in the world. October is here and we are ready for the beautiful Autumn weather! We will be doing all types of fun activities like painting with leaves, making fun fall collages, pumpkin carving, and painting with apples and corn. We will also be reading fun books like "Mouse's First Fall", "My Many Colored Days", and "Here Comes Halloween". It's going to be a Fantastic month, Happy October!

Miss Aneka & Miss Tracy

Preschool 1- Playful Heart Monkeys

As we leave summer and go into fall, this month of October, we will be imagining many things such as kingdoms where we will learn how to use good manners with each other and have Royal and fairy tale days. During those days we will be participating in royal lessons with our preschool princes and princesses! Later in the month we will start to get a little spooky and talk about ghosts and goblins and how excited we are going to be for the end of the month! On October 31st we will have a Harvest Pajama Party! There will be a list for you to bring in a healthy snack if you wish to do so!

Miss Stephanie & Miss Jamie

PreK- Brave Heart Lions

October is finally here!! And as a new month begins so does a new theme, which is Health and Fitness. This month we will learn how to have a healthy diet and why it is important! We will learn about all the food groups and even taste a few foods from each group. We will discuss our five senses as we talk about how different foods taste, feel, look, smell, and sound. We will also be discussing why it is important to take care of our bodies and learn ways to insure they stay strong and healthy. It's going to be an active and tasty month!! Also be sure to keep an eye open for information for our harvest party!

Parents also keep in mind That the October month brings in chill weather. Please bring a jacket each day as well as proper footwear (sneakers are always best) so we may all enjoy the outdoors.

Miss Leah
