

CARE-A-LOT WEST SENECA

August Newsletter

From the Director

Hello everyone! We are so sad to see Summer go but we are so excited for all of the fun that will be happening at Care-A-Lot West Seneca this month! On August 18, we will be having a Buffalo Bills Dress Up Day! We are so excited for the season to start! We are welcoming a new staff member, Ms. Kaitlyn! I have sent out Registration Packets for each family. I need these filled out and returned to me by August 25, 2023 to secure your spot for the 2023-2024 School Year. If I do not have the entire packet by August 25, 2023, your child will not be registered with our program and we will be unable to provide care as of August 31, 2023. Classroom Move-Ups will begin on August 28, 2023. I will send out information about your child's new teacher, new tuition information, and new classroom by August 21, 2023.

Thank you for trusting us when it comes to taking care of your child(ren). There is so much love at our center, and we pride ourselves on that. As always, if you need to contact me, you may call the center at 716-668-8290, email me at westseneca@care-a-lot.net, or send me an Admin message on BrightWheel.

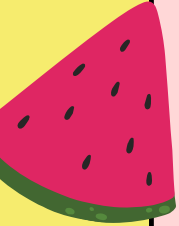

Ms. Alyssa

Re registration packets are due August 25, 2023!

Nursery 1:

We are having a great month in Nursery 1! We are doing many art activities and gross motor activities in the classroom! This month's classroom theme is "Under the Sea"! We have decorated the classroom with all sorts of underwater animal artwork. We also have sea turtles swimming above us! We are having a blast!

Ms. Katie & Ms. Madison & Ms. Kaitlyn

Toddlers:

We are having an exciting month in the Toddler room! We are learning about all different types of animals and their sounds! We are also singing lots of songs and spending a lot of time outside before the winter comes! We love being outside. Please be sure that your child has sunscreen- some children have run out!

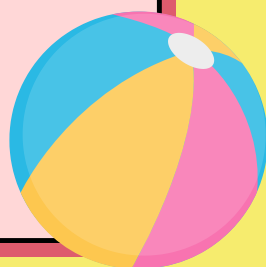

Ms. Margaret

Preschool:

Hi everyone! This month in the Preschool room, we will be learning about the Life Cycle of a Butterfly! We will even have live butterflies in our classroom! We are so excited to learn all about these beautiful insects. If you have any questions, please feel free to reach out!

Ms. Emily & Ms. Eleina
