## From the Director....

We are so sad that summer is almost over, but we want to end it with a BLAST! Care-A-Lot Lakeview will be having its second CAL COLOR DAY on Thursday, August 24<sup>th</sup>, 2023 This will be a day filled with rainbows, fun, and mess...lots of mess! Inside we will read "I Ain't Gonna Paint No More" Outside we will have tons of colorful activities set up, such as rainbow water play, self-body painting, and colored ice painting. Each class will have a scheduled time during the day to enjoy these activities including our Nursery Friends. Please make sure to dress your child accordingly this day, in either water clothes or clothing they can get messy in.

August 28<sup>th</sup> will be our moving up day this year. Information about your child's new classroom, teachers, and tuition will be sent home soon. The center will be closed on Monday, September 4<sup>th</sup> for Labor Day. We will resume normal business hours Tuesday.

Re-Registration packets will be going out the first 2 weeks of August. These packets must be returned by August 25<sup>th</sup>. Families who do not return this packet will not be

## NURSERY 1

Happy August families! Summer is going by so fast and time needs to slow down...just a little bit! This month in Nursery 1 is Under the Ocean. This is definitely one of my favorite months. We will be turning our classroom into the deep blue sea with fun sea animal art, playing with water, exploring sand, and of course listening to our favorite songs. Yes, this includes everyone's favorite... Baby Shark 🐋 With most of us starting to transition to get ready for our big move to Nursery 2, please make sure your child has proper footwear. Sneakers are the only acceptable footwear here at Care-A-Lot 😊 I will be sending out a message about our transition and everything soon, so don't worry we're not moving over just yet!

Miss Megan and Miss Sarah

## Nursery 2

Hello families, can you believe that we're now entering our very last month together. I'm so sad that it will be time to say goodbye to my friends and watch them all become Big Kids in the toddler classroom. The last two years together have certainly flown by quickly. It's been an absolute pleasure watching your children grow and learn. We're all such amazing little people and I will miss them all so much. This month we will spend our days playing together and having as much fun and messy adventures as we possibly can. We will be having fun learning all about creepy crawly BUGS. This is one of my favorites and will be so much fun. We will sing bug songs, search for bugs, fill our sensory bin with worms and paint lots of bugs without hands and feet. We've really enjoyed the splash pad and can't wait to spend the next month out there having fun. Please check your child's cubby and update things as needed. Some of us also need a fresh new sunscreen. We apply it 2 times daily and it tends to go fast. As always please let me know if you have any questions, comments, or concerns. Happy August 🌻🌻~ Miss Tina & Miss Amy

## TODDLERS

Welcome Miss Tasha!

August is here and it's going to fly by. What better time than now to explore swamps and the animals that live in them. We'll go from alligators to birds, turtles to frogs and talking about what they do and where they live. We'll have fun learning about their habitats with hands on sensory play, water play, art projects, and books that are sure to be sticky, messy, and fun. Just a reminder to check your kiddo's cubby regularly for artwork to bring home and to make sure it's stocked with extra clothes. I'm so excited for how far your kiddos have come and I'm looking forward to finishing out our year with them!

## Preschool

August has come and with it we will enjoy the rest of the summer before a new school year starts. We will continue to review numbers' letters' shapes' and colors. It will be another month of fun!

We will explore the world of bees and talk about what bees do. What do they eat and where do they go when the weather gets cold?

This month will also be the last for some of our friends before they move on to kindergarten. We will miss our friends when they go and we are excited to enjoy the time we have left with them. Let's have some fun before the summer ends!

Happy August!

Mr. Doug & Miss Savannah
